

FNN and CCA meeting

Translated By: Mr. NOY KIMHONG, FNN

On 29 August 2010 Related-staffs of the project consists of Mr. Pan Sopheap, Mr. Chhong Sophal. Ms. Kong Sokchhoin and Miss. Hang Tarany discussed with Joge Pena recently arriving Cambodia, to better understand about activities of the process, management structure from local to national level, especially the process of the project.

FNN has implemented a project called Agricultural Development Community on rice in Cambodia followed the support from Canadian Cooperative Association (CCA). This is a pilot project which lasts 15 months from January 2010 to march 2011. Through the project, CCA has sent an advisor, ADC expert, to Cambodia to push and support the project to process forwardly and achieve it objectives.

After sharing the most main information, both parties have agreed many points and Mr. Jorge Pena will help to organize and edit the website and assist to control the accounting system. *Uploaded by Mr. NOY KIMHONG*
