

AFDI and Farmer and Nature Net Meeting

At its own office, on 28 October 2010, Farmer and Nature Net hold a meeting with AFDI to conclude the consequences of a one and a half month of AFDI in Cambodia. There were 19 participants whom include 11 women from target provinces. Representative of French farmer and all staffs of FNN also were there. Mr Uon Sophal, FNN president was the facilitator during the meeting.

During the visit in Cambodia, AFDI strategizes some important things to farmer which are stressed in the following:

- Urging farmer continuing the natural farming,
- Training leadership and management to farmers,
- Promoting the agricultural products of farmers
- Strengthening the ability, spirit and education to women,
- Encouraging women to share knowledge and experiences to each other and
- Egg women to actively participate and involve more in society.

To be noted that, AFDI has cooperated with FNN since 2005 which its project focus much on the study tour of Cambodian farmer to France (Fund) and AFDI built one agri-products market at Por AngKrong commune, Borseth district, Kampong Speu province. **By: NOY Kimhong**
