

District Net Commission Election Workshop

In January 2011 Farmer and nature Net organized three workshops on District Net Commission Election. EED supports these three workshops. 1st workshop was on 13th in Stornng district Kampong Thom province, 2nd was on 14th in santok district Kampong Thom province and 3rd was on 17th in Chantrea district Svayrieng province. The total number of participant were 65 (32 women) whom included Farmer Association leader representatives, and SOSOR key persons. Mr. Sean buntha, FNN staff and Kampong Thom and Svayrieng Board of Director were the facilitators. The aim of workshop was to organize a management and leadership structure for farmers and farmer association of each target group which enable them to lead and manage their community efficiently and sustainably.
